## Vapor COUTURE

### **Vapor Couture**

V2 Cigs is proud to introduce our premium brand of electronic cigarettes for women, Vapor Couture. This exclusive line features an ultra-thin jewel-tipped rechargeable battery in finishes and colors straight off the runway. Cartridges are color coordinated to match the batteries in luscious flavor choices. Vapor Couture is ideal for high-end boutiques, bars, casinos, nightclubs resorts, airports and smoke shops. Fashionable accessories and fun packaging make this a product your buyers won't be able to resist.

## Vapor Couture Starter Kits

Starter Kits come in premium packaging with a variety of kit options to please every fashionista. Each kit includes the basics: batteries, cartridges, wall charger, USB, user manual and a drawstring pouch. Deluxe kits come with accessory options adding the value needed to promote high end purchases.

### Quality and Design She Can't Resist

Each Vapor Couture product, from the USB to our ultra-sleek batteries is designed unlike any electronic cigarette product on the market. With the same powerful vapor production as our other product lines, your customers will love showing off their purchase. We've thought of everything, making Vapor Couture a unique gift item with high-end appeal at affordable wholesale prices.

## Vapor Couture Batteries

Vapor Couture Batteries are the slimmest battery we manufacture, just 7.9mm in diameter. This elegant design comes in four introductory colors; White VC Signature Pattern, Rose Gold, Platinum and Deep Metallic Purple. Jewel tips accent each battery in complimentary colors and LED. Cartridge colors are designed to match in 6 irresistible flavors and two strengths.

- 4.2 Volts, 150 A/H
- 83mm in length without cartridge
- 114mm in length with cartridge
- 7.9mm Diameter
- 150-200 puffs

## Vapor Couture Accessories

Everyone knows accessories make the outfit. With Vapor Couture, accessories make the electronic cigarette! Your customers will have a wide variety to choose from, including:

### VC Charms

Sold separately, each stylish charm connects to your VC Bracelet, Necklace or Lanyard. They look like jewelry, but each charm holds one colorful VC cartridge or battery for women on the go.

### VC Bracelets

The VC logo charm bracelet holds multiple VC charms on its sliver links.

### VC Necklaces

Like the VC bracelet, each VC necklace holds multiple VC charms and comes in a stylish silver link.

### VC Soft Cases

The ultimate accessory, the wristlet case comes in black, brown and gold leather. An outside credit card pocket holds on-the-go essentials. It opens up to reveal a mirror, battery slots, cartridge slots and a pocket for your USB.

### VC Hard Case

The slim design of the aluminum hard case makes it perfect to slip in your purse, safely protecting Vapor couture batteries. It comes in a variety of fun colors to match each battery in the VC product line.

### VC Lanyard Collection

Braided leather lanyard and bracelets in color options to match VC batteries. Each comes with a VC charm to hold flavor cartridges and batteries on the go.

### VC Apparel

Baby tees, t-shirts and hats for every Vapor Couture fan.

## Flavor Cartomizors

Each Vapor Couture cartridge flavor is available in four colors; White Signature Pattern, Rose Gold, Platinum and Deep Purple to match VC Batteries. There are two strength options to choose from including light and full strength.

Flavor options include Rodeo Drive (mild tobacco), Bombshell (rich tobacco), Arctic Mint, Fresh Mint, Passion Fruit and Strawberry Champagne. Sleek packaging makes Vapor Couture a stand out for any retailer.
